## ETID (Electronic Turn-In Document)

document system for generating activities. ETID a full service turn-in system that assists customers in preparing and maintaining their Turn-in records. A system that creates correct, legible, to include bar-coded DTID & NSN numbers on turn-in DD Form 1348-1a documents.

[ETID \(Electronic Turn-In Document\)](#)  
Link to the live ETID System

[ETID Overview 1007](#) (.ppt)  
Using ETID is easy saves generating activities and DRMS time, reduces errors, and provided electronic DD Form 1348-1a.

<b>Title:</b>	Certification of Demilitarization
<b>Reference:</b>	DoD 4160.21-M-1, Chapter 2 DoD Bulletin 99-007 DRMS-I 4160.14, Volume VII
<b>Description:</b>	A certification as quoted below will be signed and dated by a technically qualified government representative, as designated by the responsible commander or agency chief, who actually witnessed the demilitarization of the material whether performed by government or contractor personnel. In cases where the witnessing of demilitarization would unnecessarily subject the witness to hazardous conditions or when the demilitarized material can be laid out to clearly display the residue from each item demilitarized, demilitarization may be certified through inspection of the residue. The certificate will be executed for all items demilitarized and will read as follows:
<b>Certification Statement:</b>	
I CERTIFY THAT THE ITEM(S) LISTED HEREON HAVE BEEN DEMILITARIZED IN ACCORDANCE WITH DoD 4160.21-M-1, DEFENSE DEMILITARIZATION MANUAL, APPENDIX 4, CATEGORY _____, PARAGRAPH _____ AND/OR THE FOLLOWING APPLICABLE REGULATION: _____ Signature: _____ Date: _____ (Certifier) Signature: _____ Date: _____ (Verifier)

# ETID MESSAGE SYSTEM

The screenshot shows the 'Main Menu' of the ETID Message System. At the top, there is a 'Select ETID Type:' dropdown menu currently set to 'Usable (Non-Hazardous)'. Below this are two buttons: 'Change Profile' and 'Edit DoDAAC Profile'. In the center, a message states 'You have 16 new message(s)' next to a blue envelope icon, with a 'Get Messages' button below it. At the bottom are 'New ETID' and 'Log Out' buttons. A red arrow points from a text box on the right to the dropdown menu.

**Main Menu**

Select ETID Type: Usable (Non-Hazardous)

Change Profile Edit DoDAAC Profile

You have 16 new message(s).

Get Messages

New ETID

Log Out

**The Message Center provides a central location to view/process ETID's based on actions taken by a DRMO/Generator or are in need of an action to be taken**

**Each ETID type has its own messages**

Generators will receive messages when an ETID or Waste Profile Sheet (WPS) has been approved, rejected, or when a ETID is redirected to another DRMO.

DRMOs will receive messages notifying them that an ETID or WPS has been submitted, resubmitted, edited, deleted, or redirected to them.

					(1 - 3 of 3)
This button will mark all selected info messages as Read.			This button will Delete all messages that have previously been read.		
<input type="button" value="Read"/>			<input type="button" value="Delete"/>		

# MESSAGE PRIORITY DEFINITIONS

- **Action Required** messages require the user to complete an action on an ETID or WPS (i.e., review an ETID, edit/delete a rejected ETID). These messages will automatically be deleted when the required action is completed.
- **Warning** messages identify an event that has occurred that the user should know about, but no direct action is required (i.e., a generator will receive a message that an ETID has been redirected). After the message is read, the user can delete the message.
- **INFO** messages identify a normal event in the processing of the document has occurred (i.e., ETID has been submitted for review; ETID has been approved). These can also be deleted by the user after reading.

ETID Additional Information

The Defense Reutilization and Marketing Service is part of the Agency. Our mission is to provide the DoD's best value service and great performance to our customers for the reuse, transfer, and disposal of military and government property.

**NO ACCESS  
TO ETID  
REQUIRED**

DRMS created a document system for generating activities. ETID a full service turn-in management system that assists customers in preparing and maintaining their Turn-in records. A system that creates correct, legible, to include bar-coded DTID & NSN numbers on turn-in DD Form 1348-1a documents.

[ETID \(Electronic Turn-In Document\)](#)

Link to the live ETID System

[ETID Overview 1007](#) (.ppt)

Using ETID is easy saves generating activities and DRMS time, reduces errors, and provided electronic DD Form 1348-1a.

# ETID and Intransit Control System (ICS)

- The ICS is a DoD tracking system for property designated for disposal by DRMS.
- ETID was designed to improve compliance with the ICS requirements.
  - Property that meets ICS criteria is automatically entered for the generator
- Approved ETIDs that are never turned in can cause ICS mismatches

Use ETID for legitimate  
Turn-ins

Notify DRMO if property subject  
to ICS tracking will not be turned in
